Dear Parent/Guardian

Success in Year 11 – Mock Exam Revision

The November Mock examinations for Year 11 are upon us. They start on Monday 30th October.

Your child will be given an exam timetable onto which they will highlight the days when they are involved.

A copy of that timetable can be found on our website by following the link within the message sent to you by the Academy. It would be useful to highlight the subjects that your son/daughter takes and to keep this calendar somewhere safe so that you can tick off the events as they occur.

We value your support at what can be a stressful time for your child. Ensuring students' arrival on time and attendance over the year has never been more important. A good night's sleep combined with good nutrition including drinking lots of water will all help to keep the brain in good working order.

I would like to take this opportunity to point out future key dates:

Mock Examinations January 22nd

Mock Examinations April 16th

GCSE written exams May 14th to June 22nd

This year will go very quickly and there is a lot going on. Should you have any questions or queries over the year then please feel free to contact the academy.

Yours sincerely

Mrs Dawn Bailey

Vice Principal – Raising Standards Leader
